A única coisa que eles têm que fazer é trabalhar na passarela, querida, e se recusar a sair da cama por menos de dez mil dólares. " @portuguese

Modeling je ťažká práca, vaši spolupracovníci sú vašimi rivalmi, naozaj to brzdí váš pohľad na iné dievčatá.

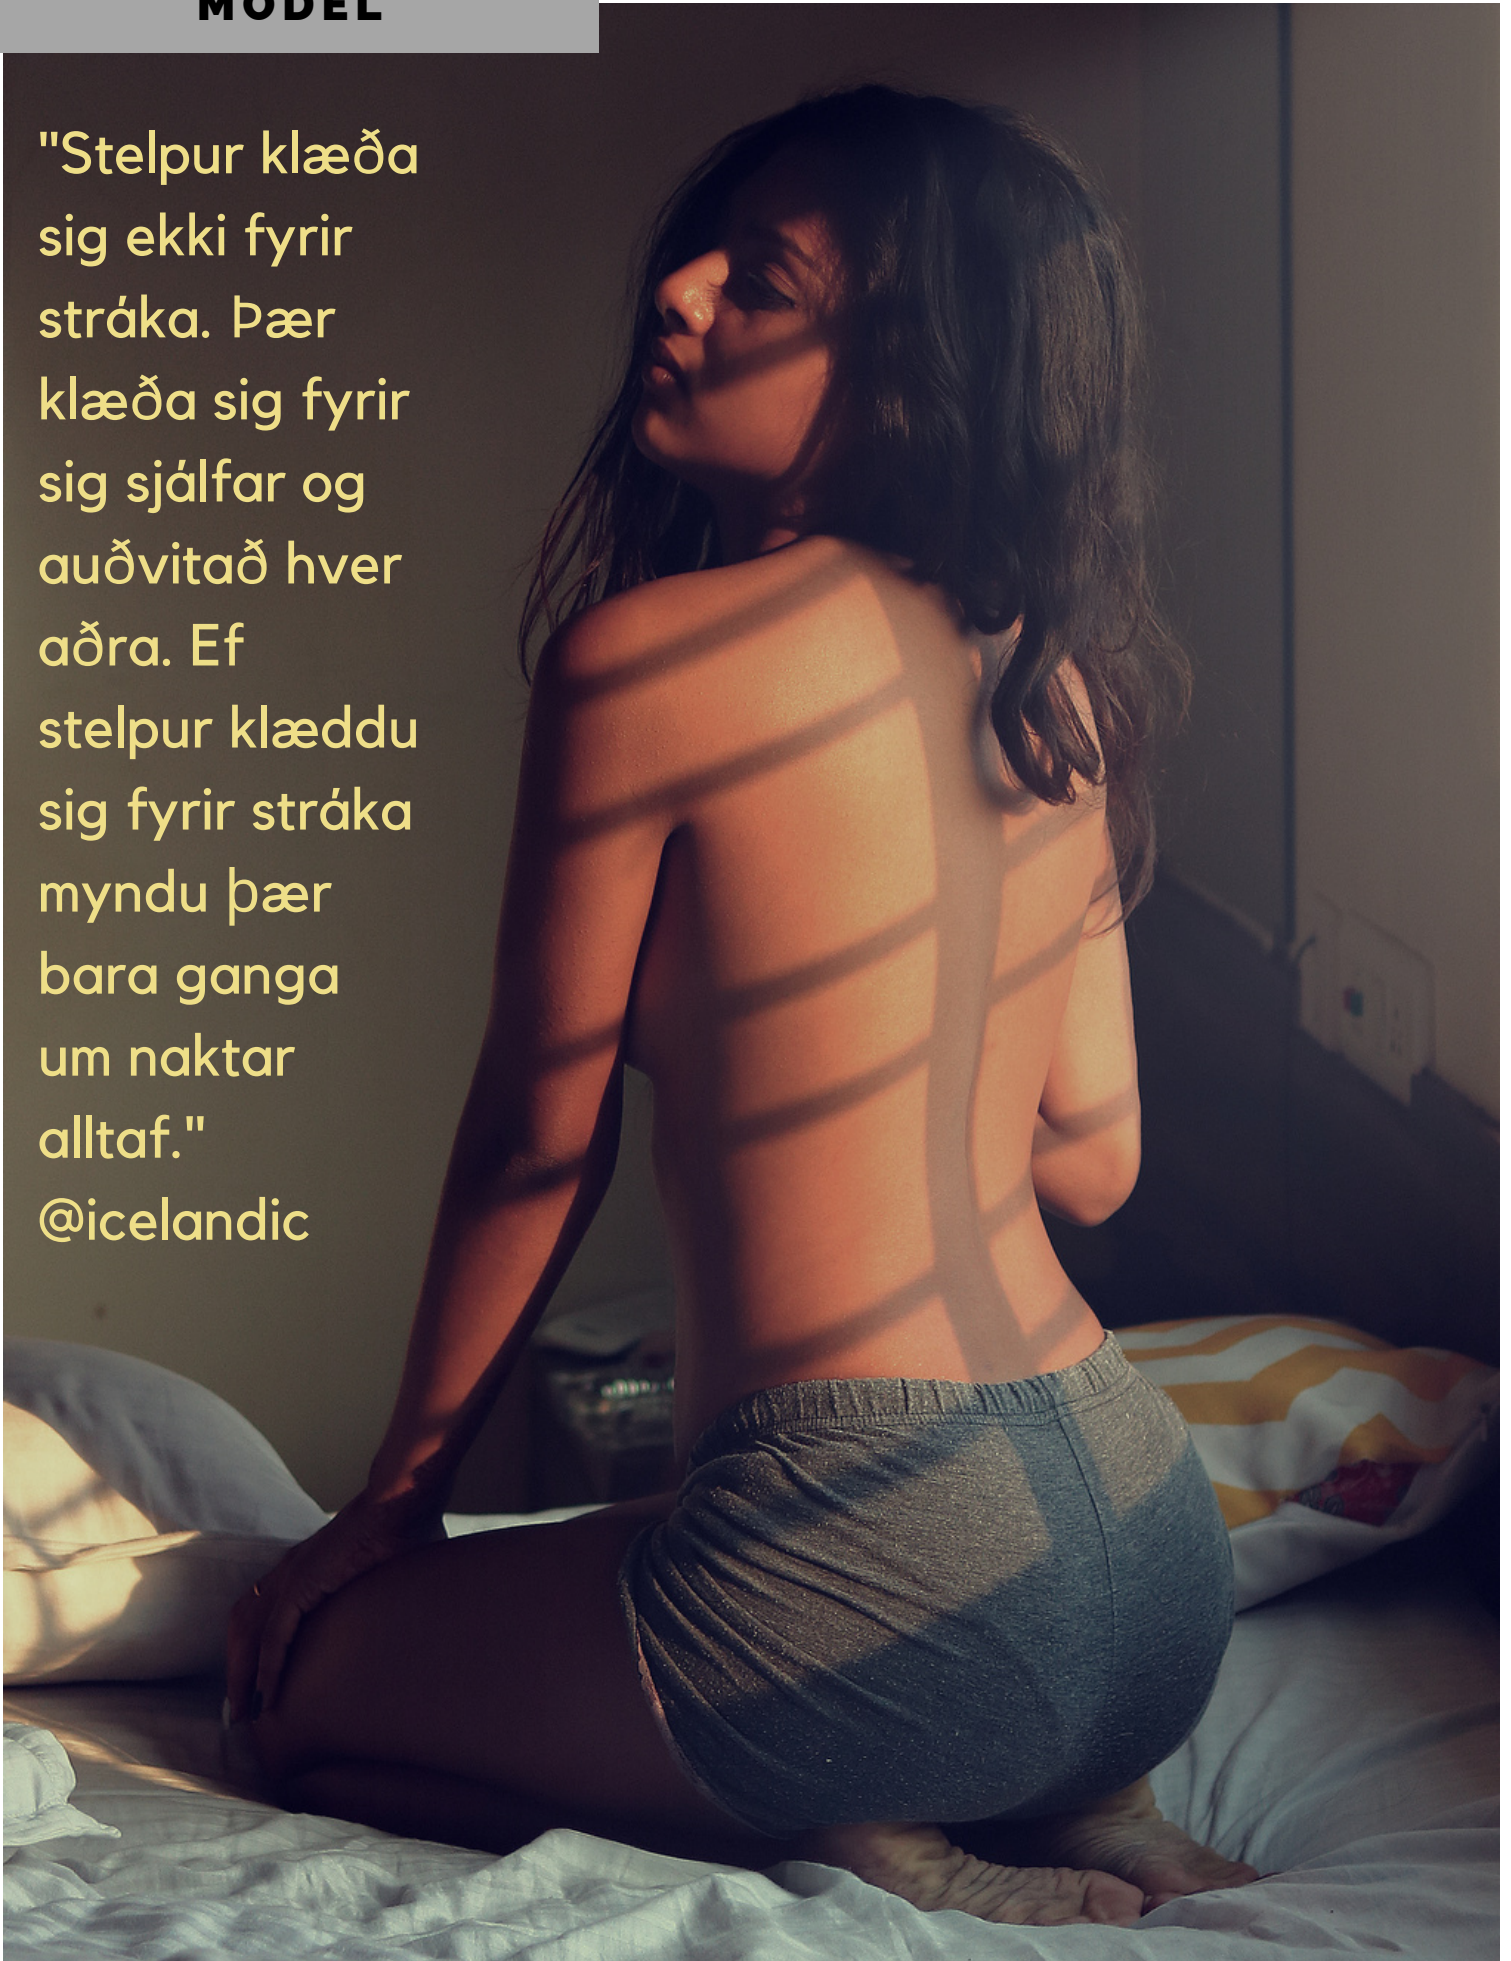

Modeling mi dal toľko skúseností, ako je cestovanie a vystavenie sa globálnym kultúram, ale najcennejšou lekciou bola práca s dizajnérmi, ktorí sú skutočne vizionármi vo svojom odbore @slovak

I'm Titas, Don't you think I have an uncommon name? There is a river, named Titas, which in spite of having a lot of barriers never stops flowing ahead. The same goes for me. I have a lot of barriers and more coming, but I promise I will never stop going ahead. I was going through mental depressions for the last two years, but I have managed to come out with my positivity and dedication to my work. I always feel enthusiastic when I'm working.
